

'Nano and Microtechnologies in the Food and HealthFood Industries'

25th-26th October 2006

NH Grand Hotel Krasnopolsky, Amsterdam

Workshops on Demand: 24th October 2006

Conference Themes

- Nano and micro technologies in food processing, monitoring, labelling, storage, distribution and related issues
- Using nano and micro technologies to meet the challenges of food for nutrition and food for health
- New techniques and technologies for rapid safety testing, and prevention of food borne disease
- Safety and regulatory issues related to the use of new technology
- The role of nano and micro technologies in food-related health issues and disease avoidance

Register before July 24th 2006 and save 20%.

You can register online at <https://www.nano.org.uk/payments>
